

Welcome to the Kettle Garden Café at Dunollie!

We are a small eco-friendly café and strive to serve a delicious, freshly homemade and locally-sourced menu.

If you have any questions about the provenance of our ingredients, or our vegan and gluten-free options, please feel free to ask.

We keep our menu flexible to easily integrate any seasonal products we might have onsite, or that our neighbours kindly share with us.

Everything else we try to source locally whenever possible, for example one of our cheddars comes from the Isle of Mull, which, on a clear day, you can see from Dunollie's Castle Ruin.

We are not doing table service at this time so when you are ready to order please head over to the Kettle and let a member of staff know what you would like.

You can enjoy your food and drinks on the terrace or bring them with you for a picnic in our Historic Woodland Grounds or by the Castle Ruin.
